17 **STATEMENT OF THE CASE**

18 On December 12, 2007, a federal grand jury in the Southern District of California returned a true  
 19 bill of Indictment charging Marco Astorga-Vasquez ("Defendant") with one count of Deported Alien  
 20 Found in the United States in violation of Title 8, United States Code, § 1326(a) and (b). Defendant was  
 21 arraigned on the indictment on December 20, 2007 and entered a plea of "not guilty."

23 **STATEMENT OF THE FACTS**

24 On December 3, 2007, at approximately 7 p.m., United States Border Patrol Agent ("BPA")  
 25 Gonzalo Perez responded to a seismic intrusion device activation in an area known as "1445." The  
 26 "1445" is located approximately three miles east of the Otay Mesa, California Port of Entry, and  
 27 approximately one mile North of the International Border between the United States and Mexico. As  
 28 Agent Perez responded to the area he observed eight people running downhill into a canyon. He  
 pursued the individuals and, after a lengthy search, found four of them attempting to conceal themselves

1 in high brush. Agent Perez identified himself as a Border Patrol Agent and queried each, including  
2 Defendant, as to their country of citizenship and immigration status. All four, including Defendant,  
3 answered they were Mexican citizens without documents allowing them to be in the United States  
4 legally. Defendant was thereafter placed under arrest and transported to the Chula Vista Border Patrol  
5 Station for further processing.

6 At the station, agents determined that Defendant had been previously deported from the United  
7 States.

8 The Defendant was subsequently advised of his Miranda rights, which he elected to waive.  
9 Defendant then admitted he illegally entered the United States by climbing over the International  
10 Boundary fence and walking North through the Otay Mesa mountains. Defendant also admitted he  
11 had been previously deported from the United States.

### 13 MOTION FOR RECIPROCAL DISCOVERY

14 The United States hereby moves for reciprocal discovery from Defendants. To date Defendants  
15 have not provided any. The United States, pursuant to Rule 16 of the Federal Rules of Criminal  
16 Procedure, requests that Defendants permit the United States to inspect, copy, and photograph any and  
17 all books, papers, documents, photographs, tangible objects, or make copies of portions thereof, which  
18 are within the possession, custody or control of Defendants and which Defendants intend to introduce  
19 as evidence in their case-in-chief at trial.

20 The United States further requests that it be permitted to inspect and copy or photograph any  
21 results or reports of physical or mental examinations and of scientific tests or experiments made in  
22 connection with this case, which are in the possession or control of Defendants, which Defendants  
23 intend to introduce as evidence-in-chief at the trial, or which were prepared by a witness whom  
24 Defendants intend to call as a witness. Because the United States will comply with Defendants' requests  
25 for delivery of reports of examinations, the United States is entitled to the items listed above under Rule  
26 16(b)(1) of the Federal Rules of Criminal Procedure. The Government also requests a written summary  
27 of the names, anticipated testimony, and bases for opinions of experts the defendant intends to call at  
28 trial under Rules 702, 703, and 705 of the Federal Rules of Evidence.

1 The United States also requests that the Court make such order as it deems necessary under  
2 Rules 16(d)(1) and (2) to ensure that the United States receives the discovery to which it is entitled.

3 In addition, Rule 26.2 of the Federal Rules of Criminal Procedure requires the production of  
4 prior statements of all witnesses, except a statement made by defendants. This rule thus provides for  
5 the reciprocal production of Jencks statements. The time frame established by the rule requires the  
6 statement to be provided after the witness has testified. To expedite trial proceedings, the United States  
7 hereby requests that Defendants be ordered to supply all prior statements of defense witnesses by a  
8 reasonable date before trial to be set by the Court. Such an order should include any form in which  
9 these statements are memorialized, including but not limited to, tape recordings, handwritten or typed  
10 notes and/or reports.

### 11 III.

#### 12 MOTION FOR FINGERPRINT EXEMPLARS

13 As part of its burden of proof at trial, the Government must prove beyond a reasonable doubt  
14 that Defendant is the same person who was previously deported from the United States. Defendant's  
15 warrants of deportation and related documents bear fingerprints to verify his identity. In order to meet  
16 our burden of proof, the United States anticipates calling a certified fingerprint examiner to obtain  
17 fingerprint exemplars from Defendant and compare those with the fingerprints on the immigration  
18 documents.

19 Defendant has no privilege against providing fingerprint exemplars. The Fifth Amendment  
20 privilege is limited to communications or testimonial evidence. Schmerber v. California, 384 U.S. 757,  
21 763-64 (1966). The Government's use of identifying physical characteristics, such as fingerprint  
22 exemplars, does not violate a defendant's Fifth Amendment rights. See, e.g., United States v. De  
23 Palma, 414 F.2d 394, 397 (9th Cir. 1969); Woods v. United States, 397 F.2d 156 (9th Cir. 1968).  
24 Compare United States v. Jackson, 886 F.2d 838, 845 n.8 (7th Cir. 1989) ("There is no doubt that  
25 requiring a defendant to give a handwriting specimen does not violate his fifth amendment privilege  
26 against self-incrimination since the privilege reaches only compulsion of a defendant's  
27 communication."). Accordingly, the Court should order that Defendant provide fingerprint exemplars  
28 to the Government's fingerprint expert.

2 **LEAVE TO FILE FURTHER MOTIONS**

3 Should new information or legal issues arise, the United States respectfully requests the  
4 opportunity to file such further motions as may be appropriate.

5 V.

6 **CONCLUSION**

7 For the foregoing reasons, the Government respectfully requests that its motions for reciprocal  
8 discovery, fingerprint exemplars and leave to file further motions be granted.
